BRIANNA ARENDS

Audio Engineer | Location Recordist | Video Editor

(973) 713-5530 briarends@icloud.com Randolph, NJ briannaarends.com

PROFESSIONAL SUMMARY

I am an entertainment industry professional with 3+ years of experience in both production and post-production for projects of any scale, from social media ads to TV shows. I am highly adaptable to any situation, pay strong attention to detail, and have plenty of enthusiasm for any and every task I take on, no matter how small.

EXPERIENCE

Crazy Alarm Studios | ***The Last Recipe*, Season 2**
New York, NY | *Sept 2026 - Nov 2026*
On-Set Audio Monitor

- Set up and managed lavalier and boom audio on a location set in a TV show production environment
- Discreetly placed lavaliers on talent for dialogue-heavy scenes, ensuring their comfort the entire way
- Operated boom mic for environmental sound and safety dialogue tracks for every scene
- Managed audio files by number on set, streamlining the audio synchronization process for post-production

VideGro
Beacon, NY | *May 2023 - June 2026*
Social Media Editor

- Edited and enhanced raw footage in Final Cut Pro to create polished, dynamic advertisements for social media and TV
- Made visual adjustments with color grading, effects, and graphics to make ads look professional and engaging
- Mixed recorded audio, sound effects, and music into video ads
- Organized footage and other materials to streamline efficiency

Production Assistant

- Supported crew with various technical and creative tasks of small- to medium-scale advertisement sets
- Communicated with and support talent, making them feel satisfied and comfortable on set
- Created stylized or natural set designs of various scale and complexity
- Created props, organize materials, and do runs around NY area

Partizan Entertainment
Los Angeles, CA | *Sept 2021 - Dec 2021*
Production Intern

- Created/filled out forms to support company and clients
- Wrote light coverage on multiple scripts and pre-production materials
- Went on runs across LA area, oftentimes dealing with sensitive tasks and materials
